DIPLOMA PROGRAM OVERVIEW: Requirements for Diploma in Botanical Illustration

1. Completion of 100 elective classroom hours including a minimum of three courses (15-18 hours) at master's level
2. Submission of an advanced portfolio consisting of:
Four original plates selected from the following media (maximum size 11" x 14"):

graphite	watercolor
carbon dust	gouache
polycarbonate pencil	watercolor pencil
ink (technical pen, quill, brush, scratchboard)	transparent acrylics
colored pencil (oil and/or wax based)	egg tempera

A mixture of the above allowable; oils, pastels, or digital media are not accepted. Additional details regarding presentation and size provided upon acceptance into the program.
3. Completion of a supervised independent study, for example:
 - a. Research on a rare species, an invasive species, noxious weed, fossil, pollination biology, or other. Includes an essay and a minimum of four images (containing dissections)
 - b. Dummy book with an educational theme or content directed to children
 - c. An internship as an illustrator at a museum, botanic garden, science center, or other relevant institution that provides on-the-job experience as a scientific/botanical illustrator
