

Tropical Treasure Hunt

Can you find plants in the Boettcher Memorial Tropical Conservatory that remind you of these animals? Each time you find a plant, put a check in the box with a marker or pencil.

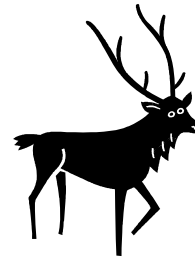

Bird Beak

Zebra Stripes

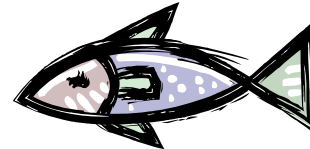

Tiger Stripes

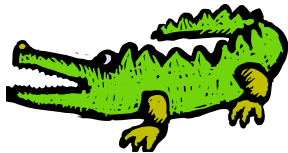

Deer Antlers

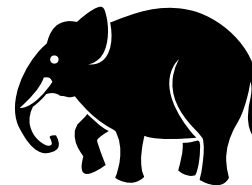

Snake Body

Fish Tail

Alligator Skin

Elephant's Ears

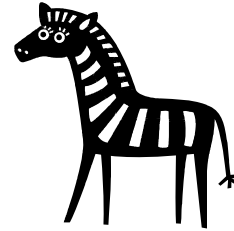

Answers: Bird beak: heliconia; Zebra stripes: zebra prayer plant; Tiger stripes: bromeliads; Deer Antlers: staghorn fern; Snake body: vine; Fish tail: fish tail palm; Alligator skin: crocodile fern; Elephant's ears: tania; (These are just some of the possibilities; there may be others.)

Juego de búsqueda tropical

Puedes encontrar las plantas que te hagan pensar en estos animales dentro del Invernadero Tropical Memorial Boettcher? Cada vez que encuentres una planta, usa un marcador o lápiz para ponerle una palomita a la casilla correcta.
