

# SIGNS OF SPRING

Awaken your senses as you take a spring walk outside. Feel the warm sun on your face, listen for birds chirping in the trees and smell the fresh scent of the earth as you hunt for signs of the changing seasons. When you find one of the items in the boxes below put an X through the box. Can't find them all? Save the scavenger hunt and take another walk a week later to see what else you discover!

<p>Green grass</p> 	<p>Birds chirping in a tree</p> 
<p>A leaf bud on a tree or shrub</p> 	<p>A pollinator buzzing about</p> 
<p>A purple pansy</p> 	<p>A red tulip</p> 
<p>Snow melting into a puddle</p> 	<p>A bird collecting materials to build a nest</p>
