The beauty and serenity of Denver Botanic Gardens offer a unique opportunity to pay tribute to a loved one, commemorate a life milestone, or honor a friend. Various tribute opportunities exist.

Whether it's a special message engraved on a paver in our Romantic Garden or a bench nestled into the perfect spot in the Gardens, tributes recognize all the important occasions that fill our lives:

- Birthdays
- Marriages
- Anniversaries
- Graduations
- Retirements
- Final memorials

At your request, we will send a personalized acknowledgment of your tribute gift to the recipient of your choice, without reference to the amount of the gift.

- Our benches, trees and Celebration Gardens have limited dedication opportunities. To learn more about these options please call 720-865-3528 or email development@botanicgardens.org.
- Due to the changing nature of our landscape and the effect of the elements, dedications may experience various degrees of weathering and wear. Benches are not stained or sealed.
- The length of a dedication is 10 years. Red Paver dedication length is 5 years. During these years the Gardens will repair or replace your tribute item as needed. After 10 years (5 for red pavers), if the condition of the item does not meet the Gardens’ standards, or the item must be removed, the donor will be contacted and given the opportunity to make an additional contribution to re-dedicate the item for an additional 10 years.
- A champion tree is the largest tree of each species or cultivar, determined by measure of the tree’s spread, height and trunk circumference.
