GROWN AT THE GARDENS

PRICE RANGE: \$5-\$15 | It doesn't get any more local than this! Shop from a wide variety of plants grown in greenhouses and gardens both at York Street and Chatfield Farms. Take home and plant a little piece of Denver Botanic Gardens.

Tips on fall planting...

Fall is a perfect time to plant perennials, shrubs and trees along with your spring bulbs. The combination of warm soil and cooling air temperatures encourages plants to put on root growth which helps them come back strong in spring. Be sure to give extra water throughout the fall and water monthly in winter when the temperature is above freezing. Avoid plants that are marginally hardy; save those for a spring planting. To ensure growth, you should plant perennials that are at least one zone hardier than your area is. You can also give plants extra protection by mulching heavily, just make sure to keep mulch from touching the woody stems of shrubs and trees.

SEED MIX

PRICE RANGE: \$34 EACH | This Urban Prairie Seed Mix is composed of flowering annuals, perennials and grasses that thrive in Colorado's short grass steppe. This is best sown in full or partial sun in an area no larger than 400 sq.ft. (about the size of an average hellstrip). This seed mix should be sown between the months of October and February for best germination results.

* Selections may vary depending on availability.

URBAN PRARIE SEED MIX COMPOSITION

Argemone polyanthemos (prickly poppy)

Artemisia ludoviciana (white sagebrush)

Bouteloua gracilis (blue grama)

Buchloe dactyloides (buffalograss)

Callirhoe involucrata (winecups)

Castilleja integra (Indian paintbrush)

Cleome serrulata (Rocky Mountain bee plant)

Coreopsis tinctoria (plains coreopsis)

Dalea candida (white prairie clover)

Dalea purpurea (purple prairie clover)

Elymus smithii (western wheatgrass)

Engelmannia peristenia (Engelmann daisy)

Eschscholzia californica (California poppy)

Helianthus petiolaris (plains sunflower)

Liatris punctata (dotted gayfeather)

Linum perenne lewisii (blue flax)

Machaeranthera tanacetifolia (tansy aster)

Monarda pectinata (beebalm)

Penstemon angustifolius (pagoda penstemon)

Pleuraphis jamesii (galleta)

Ratibida columnifera (prairie coneflower)

Sphaeralcea coccinea (scarlet globemallow)

Thelesperma filifolium (greenthread)

PRICE RANGE: \$4-\$12 | Plant Select® is the country's leading brand of plants designed to thrive in high plains and intermountain regions. They provide more beauty with less work so gardeners of all levels can achieve smart, stunning and successful gardens using fewer resources and with a more positive environmental impact.
