

Easy Plants for the Front Range

Annie Barrow

Manager of Sustainable Landscape Services

Easy to grow plants

This guide provides a small portion of “easy to grow” plants for the Front Range. Recommended plants are those which thrive in the front range cultural conditions such as low precipitation and dry, rocky soils. For additional recommendations see [Western Best Practices](#) for planting and installation recommendations. All plants listed meet the following criteria:

- Available at locally owned nurseries
- Provide multi-season interest (flower, fall color, winter interest, habitat for wildlife & pollinators)
- Minimal maintenance required
- Xeric plants (require less than 2" of water per month)
- Best in full to part sun exposure
- Perennials and shrubs (come back every year)

Yarrow *Achillea* sp.

Leadplant *Amorpha canescens*

Leadplant (dwarf) *Amorpha nana*

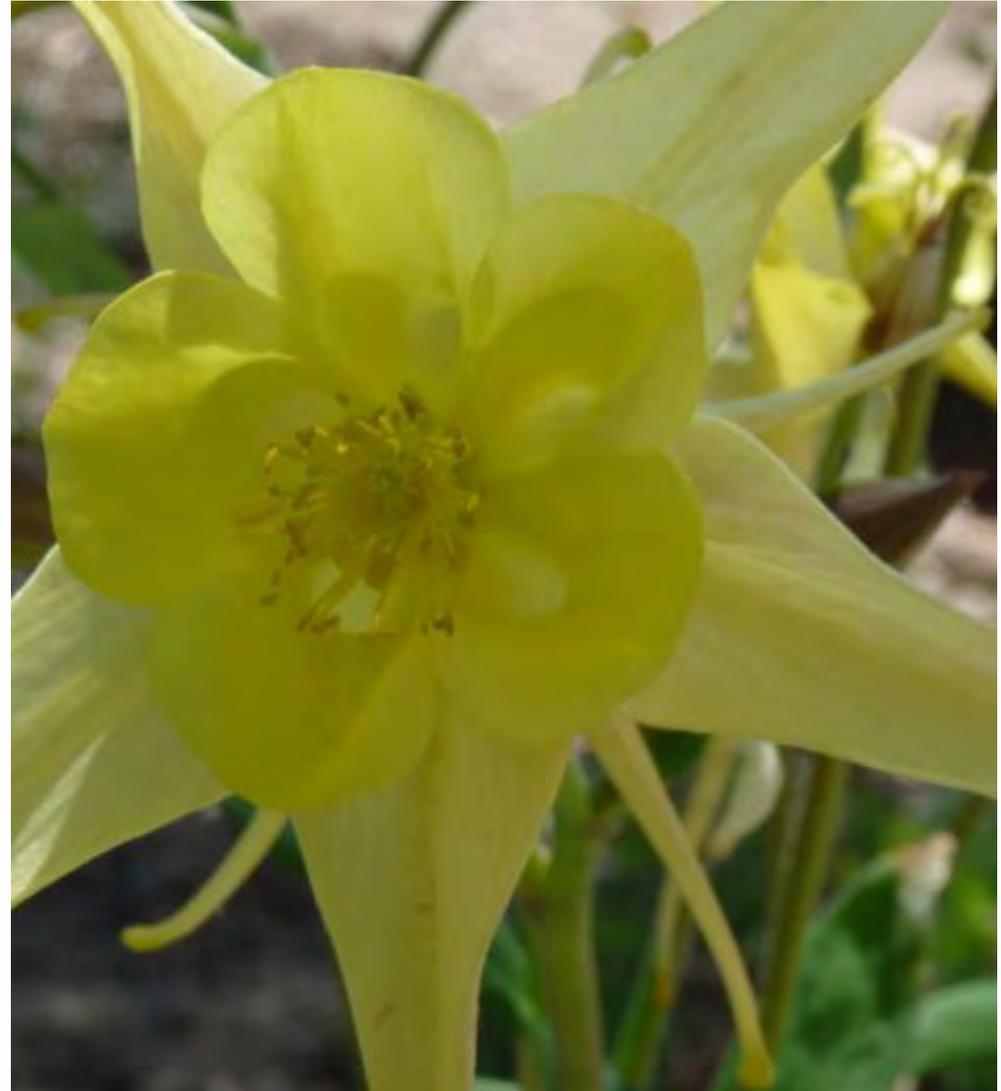

Sunset Hyssop

Agastache rupestris

DENVER GOLD® Columbine
Aquilegia chrysantha DENVER GOLD®

Chocolate Flower

Berlandiera lyrata

'Blonde Ambition' Blue Grama Grass

Bouteloua gracilis 'Blonde Ambition'

Winecups *Callirhoe involucrata*

Curly Leaf Sea Kale

Crambe maritima

Fernbush

Chamaebatiaria millefolium

Baby Blue Rabbitbrush (dwarf) *Chrysothamnus nauseosus* var. *nauseosus*

CORAL CANYON® Twinspur *Diascia integerrima* CORAL CANYON®

ORANGE CARPET® Hummingbird Trumpet *Epilobium canum* ssp. *garrettii* ORANGE CARPET®

Golden Storksbill

Erodium chrysanthum

Sulphur Flower Buckwheat KANNAH CREEK® *Eriogonum umbellatum* var. *aureum* KANNAH CREEK®

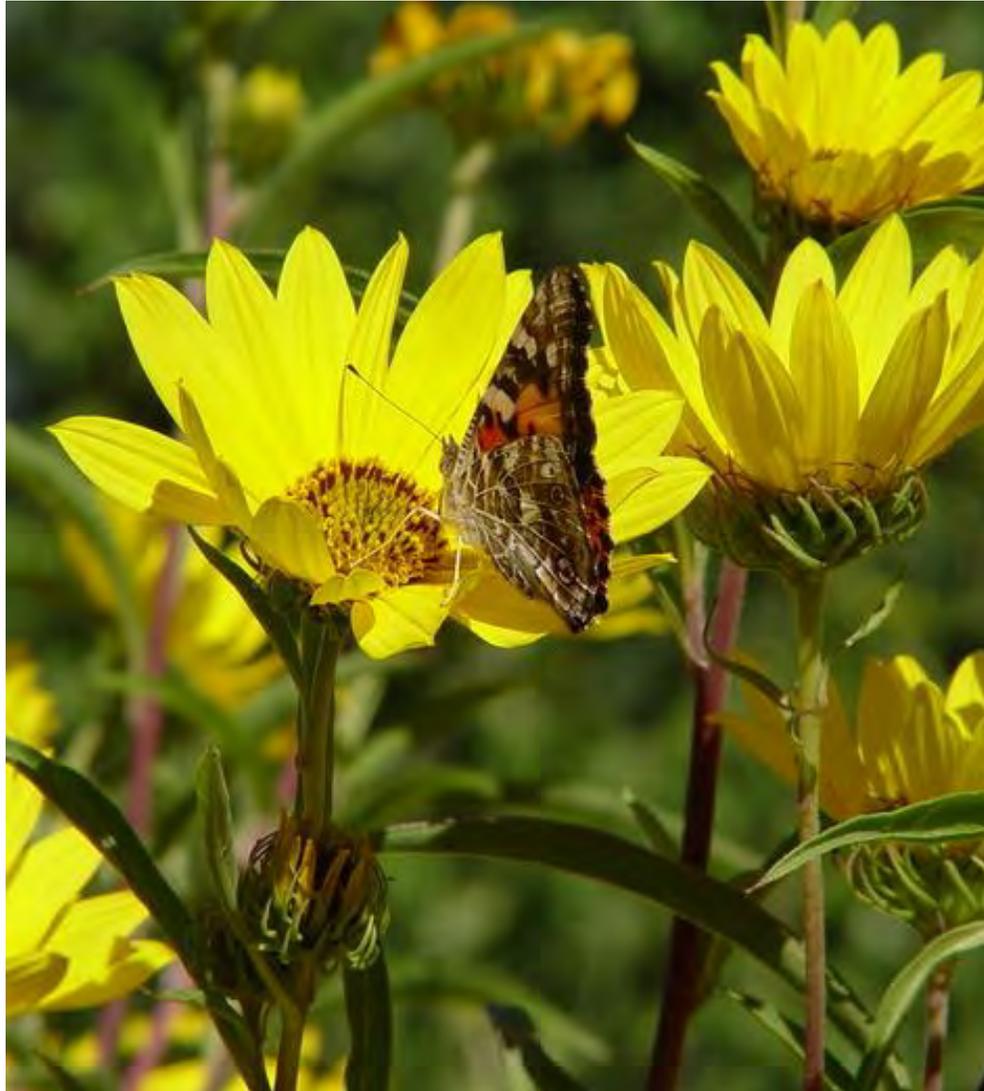

Apache Plume

Fallugia paradoxa

Maximilian's Sunflower

Helianthus maximiliani

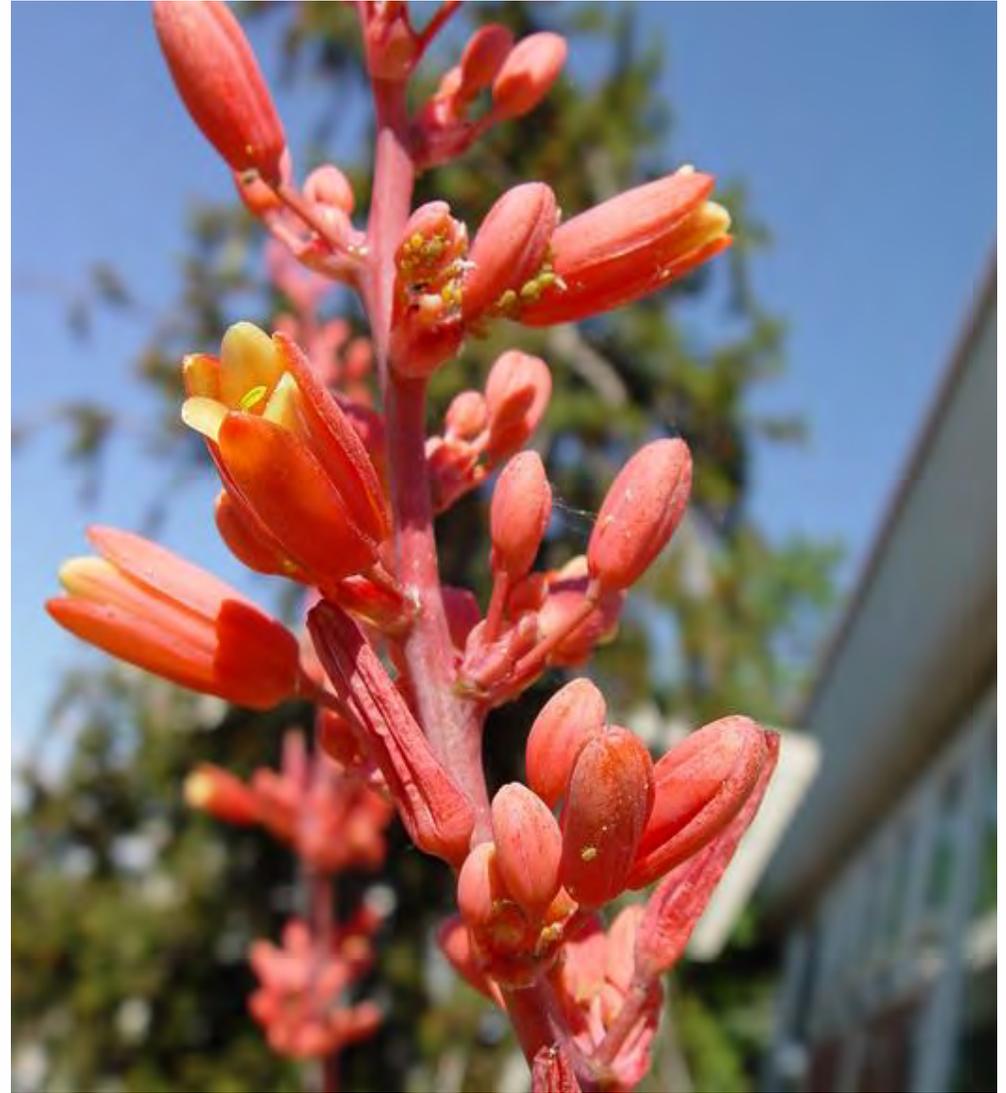

Blue Oat Grass

Helictotrichon sempervirens

Red Yucca

Hesperaloe parviflora

Regal Torchlily *Kniphofia caulescens*

Dwarf English Lavender WEE ONE®
Lavandula angustifolia WEE ONE®

KINTZLEY'S GHOST® Honeysuckle Vine *Lonicera reticulata* KINTZLEY'S GHOST®

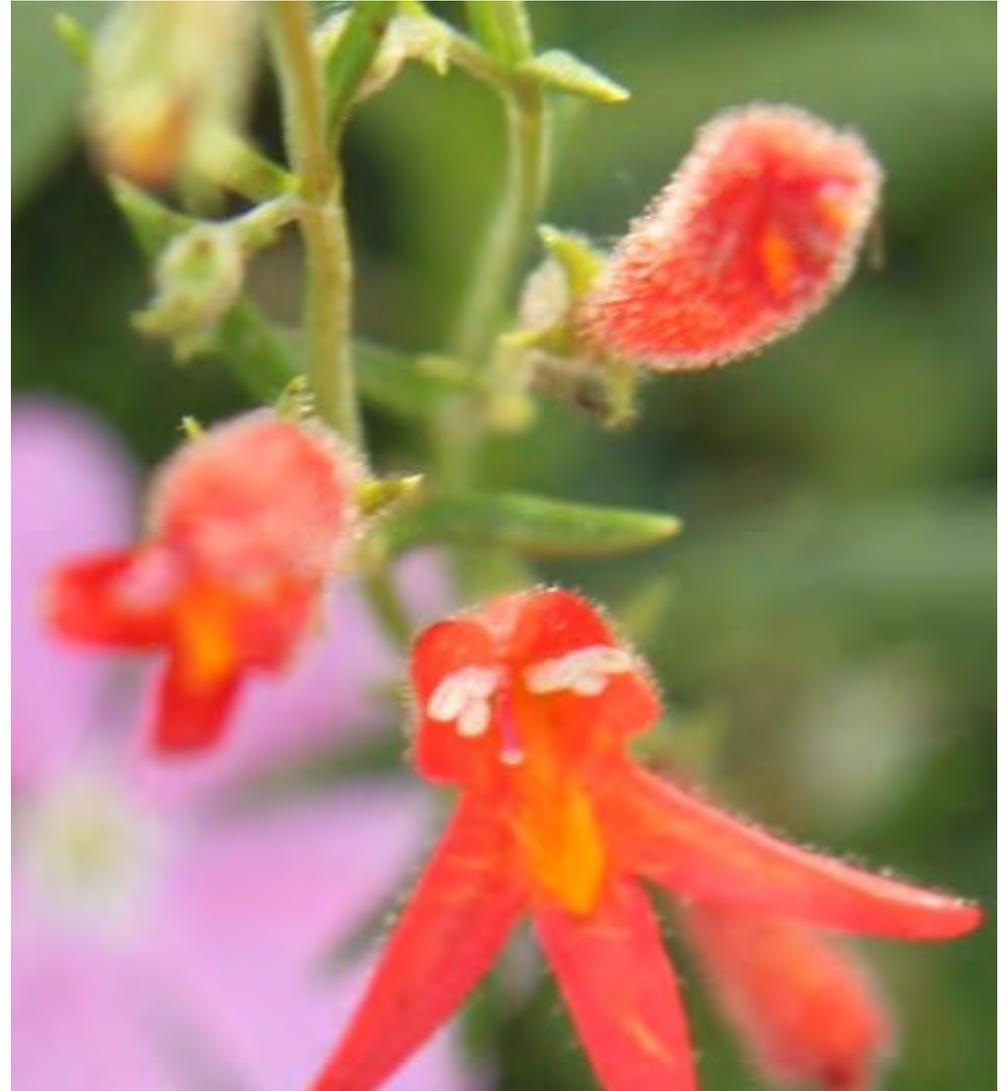

SILVER BLADE® Evening Primrose *Oenothera macrocarpa* ssp. *incana* SILVER BLADE®

Pineleaf Penstemon

Penstemon pinifolius

Rocky Mountain Penstemon

Penstemon strictus

PAWNEE BUTTES® Sandcherry *Prunus pumila* var. *besseyi* PAWNEE BUTTES®

Sumac *Rhus* sp.

Silver Sage

Salvia argentea

Little Bluestem

Schizachryium scoparium

Sedum

Sedum sp.

Creeping Thyme

Thymus sp.

MINI MAN™ Viburnum

Viburnum burejaeticum MINI MAN™

A wide-angle photograph of a garden path at sunset. The sun is low on the horizon, creating a warm glow and lens flare. The path is paved and lined with various plants, including tall grasses and flowering shrubs. Benches are visible on the path. In the background, there are large evergreen trees and a modern building with a glass facade.
